

Bobby Lane High School Cup Inc.

SPONSORSHIP REQUEST

The 7th Annual Bobby Lane High School Cup is taking place this year on **December 2, 2017** at Camp Mack River Resort on Lake Kissimmee. The Bobby Lane High School Cup is a 501(c)3 non-profit organization started by Professional Bassmaster Angler Bobby Lane Jr., a long-time resident of the Lakeland community. Bobby travels the country fishing tournaments with the support of his wife, three children, parents and extended family in Lakeland cheering him on.

This event hosted by the Bartow Yellow Jackets Fishing Team and Lakeland Jr. Bass Masters was established to further a love of fishing in our youth and raise money to provide scholarships to those students involved in the sport of bass fishing.

Two-person youth teams along with volunteer adult boat captains from several of the southern states will take off at safe light on Saturday to prove their fishing skills to their peers.

In 2017, the BLC event was proud to provide (7) \$1000 scholarships and (3) \$500 scholarships, facilitated through the Polk Education Foundation, to deserving high school seniors from Florida all the way to Kentucky. Students apply through PEF and are judged on participation in fishing tournaments and clubs, conservation of lakes in their local area and financial need.

We are asking for a financial contribution from your company to be a sponsor of the Bobby Lane Cup event. For your tax-exempt donation, we offer the following sponsorship levels as shown on the enclosed sponsorship form.

We appreciate your consideration in being a part of our upcoming event.

Bobby Lane High School Cup Inc.
